

Choir Report

The Choir has participated in all Sunday services this year (other than a summer break), as well as Holy Week and Christmas Eve services. Our few regular Choir members are very faithful; however we would welcome new/additional members to fill out the choir in order to sing anthems on a more regular basis. We have two GSW students on scholarship singing in the Choir, and we are fortunate to have Donna Becton as our organist.

Sing Joyfully!

Julie Megginson
