

Leading with Grace

Clergy and laity, **especially vestry members**, from the Diocese of Georgia are invited to participate in diocesan training called Leading With Grace.

Leading With Grace is a 4-weekend leadership program facilitated by Carey Wooten and six priests from around the Diocese, including Revs. Tar Drazdowski, Becky Rowell, Guillermo Arbodela, Kelly Steele, June Johnson, and Melanie Lemburg. Themes of each weekend include **relationships**, **strategic planning**, best practices for **leadership**, and **conflict** transformation.

This year, all weekend training will take place at Honey Creek, our camp and conference center located on the Georgia coast near Brunswick. Honey Creek offers a beautiful setting for spiritual growth, learning, and fellowship with other Episcopalians from throughout our Diocese.

Please let Carey or Donna know if you are interested in this program and we'll get you signed up! The first class this year is Feb. 10-11. Other weekends are in April, August, and September.
